“Laser & 3D mapping
SHOW”

Laser stage Show

“Mirror family”

Specially designed mirror costumes, precise choreography and time coded programming formed this very unusual and stunning laser display show.

“Performance with LASER”

“Dance performance”

Girls dance group Ladylicious, mainly know from TV Show Czecho - Slovakia got talent, currently one of the most popular dance group in Slovak and Czech republic. We offer their dance show in synchronization with lasers. Price on request.

“Acrobatic performance”

Acrobatic performance series of Team SX synchronize with lasers. Price for 1 actor is 300 eur +/- 30% depend on length and difficulty of performance.

“Laserman from KVANT”

Innovative and stunning laser-to-human performance. The LASERMAN is based on interactive motion tracking. The laser flawlessly and precisely follows performer's moves, making the show eye catching and sometimes almost unrealistic.
